INCLUDED HIGHLIGHTS

Township Tour, Wine Tasting, Half day canoeing on the Gariep (Orange) River, Fish River Canyon, Namib Naukluft National Park, Transfer to Sossusvlei & Swakopmund.

DAY 1: Cape Town to Cederberg Area (Lunch / Dinner)

Before leaving Cape Town, we depart on a township tour in and around Cape Town. This is an included highlight allowing everyone to experience it. From here we head around Table Bay and continue north through the wheat growing 'bread basket' of South Africa. We cross the Piekenierskloof Pass into the rich fruit growing area along the Olifants River, named for the vast Elephant herds that used to roam in this fertile valley.

Our first night is spent in a picturesque campsite with a view of the surrounding wine farms. This afternoon we have the opportunity to sample some of the nectar of the gods after taking a short walk in the surrounding vineyards to explore the exquisite views of the Cederberg Mountains. Tonight we camp under a canvass of stars – the perfect way to begin our African adventure.

Included Activity: Township Tour in Cape Town

DAY 2: Cederberg Area to the Gariep River (Breakfast / Lunch / Dinner)

From the Cederberg we travel further north through the region known as Namaqualand, well known for its prolific display of Namaqua wildflowers that occur each spring. After stopping for supplies in the small town of Springbok, we continue on through the desert area of the Richtersveld to the Gariep River, the natural land border between South Africa and Namibia, where we camp at a beautiful campsite on the South African bank of the river.

Included Activity: Wine Tasting in Cederberg Area

DAY 3: Gariep River to Fish River Canyon (Namibia) (Breakfast / Lunch / Dinner)

This morning we partake in a half-day canoe trip on the beautiful Gariep River, affording us the opportunity of some bird watching or just a scenic and relaxing paddle. After lunch we cross into Namibia where, after a short drive, we reach the Fish River Canyon. At 161 km long, 27 km wide and about 550 m deep, it's the second largest canyon in the world. The outer canyon was formed by tectonic activity, while the erosion of the Fish River formed the inner canyon. A road follows the eastern rim, giving us access to several viewing points from where we can take in the spectacular vistas.

Included Activity: Canoeing on Gariep River

NAMIBIA

This sandy yet spectacular country gained its independence from South Africa in the year of 1990 and its largest city, also the capital city is Windhoek. This is a country of compelling beauty and wide horizons dominated by the brooding and desolate Namib Desert, which has the highest sand dunes in the world.

DAY 4: Fish River Canyon to Sesriem (Breakfast / Lunch / Dinner)

An early start today, heading north we enter the area of the Namib-Naukluft desert, one of the oldest in the world. We base ourselves at Sesriem, a good place to experience the Namib and its many moods. A short distance away is Sossusvlei, surrounded by a dramatic array of sand dunes reputed to be the highest in the world. Magnificent views of the desert can be seen from the top of the dunes, some over 300 m high. Make sure you look up at the stars tonight; the desert puts on a show like nowhere else in the world!

DAY 5: Sesriem (Breakfast / Lunch / Dinner)

This morning we enter the Namib-Naukluft National Park where we spend the morning exploring this amazing area. We take some time to climb to the top of Dune 45 - a truly memorable experience. Following our once in a lifetime experience you will take the desert shuttles a further 5kms into the desert where you can take a walk to Sossusvlei and explore the surrounding area.

Included Activity: Climbing Dune 45
Included Activity: A Visit to Sossusvlei

DAY 6: Sesriem to Swakopmund (Breakfast)

This morning after breakfast we head off in a north-westerly direction to meet the Atlantic Ocean at Walvis Bay. Our drive takes us across the Tropic of Capricorn – the 'imaginary line' that shows the southernmost point of direct sun, and signals the southern hemisphere's mid-summer day. From Walvis Bay, we follow the coast for some 35 km to arrive at Namibia's prime holiday resort - Swakopmund where we enjoy 2 nights of rest, relaxation and a little bit of adrenalin for those that are keen! Accommodation will be in dormitories for the next 2 nights, upgrades into private rooms are possible, but depend on availability and can be booked with your trip leader.

DAY 7: Swakopmund (Breakfast)

Founded by the Germans in 1892, their colonial influence is still evident today. Swakopmund has a selection of excellent coffee shops, restaurants & bars as well as many arts and crafts shops selling Namibian curios. There are fine beaches to walk along as well as a great museum, aquarium and galleries to visit. Alternatively, the lovely beach and promenade make for a great relaxing walk – though bathing in the ocean waters may be somewhat chilly! Some of our fellow passengers may leave us in Swakop, to be replaced by new passengers joining us for the rest of our trip.

Optional Activities: Sky diving, quad biking, sand boarding, scenic desert flights, dolphin cruises, fishing trips, golf, horse riding and more. An activity briefing will be held on arrival in Swakopmund (see price guide at the end of this document).

WHAT IS NOT INCLUDED?

International flights, Airport departure taxes, Departure transfer, Visas, Meals unless otherwise stated, Travel Insurance, Laundry, Personal Items, Tips, Sleeping bag & pillows.

Meals on tour

Meals and menu's vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menu's with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home.

The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQ's and even roasts!

Transport on tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. Vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing

and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Participation on tour

All of the tours operated by ATC are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.
