TANZANIA

Tanzania's natural environment and geographical features have made it one of the best tourist destinations in Africa. Being the biggest country in east Africa, Tanzania has heaps to offer her visitors, including 13 game reserves and national parks. Tanzania also forms part of the world's largest animal's movements, the great migration. Inland are the vast Serengeti National Park and the animal-packed Ngorongoro Conservation area, and thousands of people every year fulfil their lifetime achievement of climbing to the top of Mount Kilimanjaro, which is the highest mountain in Africa. On the coast, Zanzibar is exotic, intriguing and steeped in the unique Swahili culture.

DAY 1: Dar es Salaam to Zanzibar (OPTIONAL) (No Meals)

A ferry from Dar es Salaam takes us to the "Spice Island," where we have the option to spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

PLEASE NOTE: Accommodation and Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and can arrange your accommodation, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer – please see the price guide on the end of this document for more details.

For those not opting to visit the island of Zanzibar, the next 3 days are spent at leisure at the beach campsite in Dar es Salaam. There are various optional excursions available from the camp including diving, snorkelling and fishing trips. The driver and cook remain behind in Dar es Salaam during the excursion.

PLEASE NOTE: New legislation prohibits the taking of photographs during the Zanzibar ferry ride. Spot fines can be issued, if legislation is not obeyed.

Included Activity: Zanzibar Ferry Ticket

Optional Activity: Zanzibar Excursion

DAYS 2 & 3: Zanzibar

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

DAY 4: Zanzibar to Dar es Salaam (Dinner)

Leaving Zanzibar in the afternoon, we return to the mainland and another night in Dar es Salaam. Arrival back to camp is usually in the late afternoon, or early evening.

DAY 5: Dar es Salaam to Arusha (Breakfast / Lunch / Dinner)

From Dar es Salaam we have a long day's drive through vast sisal plantations and African bushveld to Arusha. On the way, we pass The Pare and Usambara Mountain ranges before driving through the town of Moshi. Moshi is the base for Mount Kilimanjaro climbing expeditions and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! Tonight we stay at a campsite in Meserani on the outskirts of Arusha, before heading out on our Optional Excursions to the Serengeti and Ngorongoro Crater tomorrow.

Optional Activity: Take a brief visit to the "Masai Cultural Museum" at Snake Park

DAY 6: Arusha to Karatu (Optional) (Breakfast / Lunch / Dinner)

This morning we visit the Meserani Reptile Park and Masai Cultural Museum. A few minutes' walk from the campsite is a gallery selling the bright and iconic Tinga Tinga paintings. Alternatively the town of Arusha is nearby to explore. After enjoying lunch at our camp against the backdrop of Mount Meru we meet our Tanzanian guides and transfer into locally operated 4WD vehicles. These vehicles have been adapted for safari use and allow excellent viewing and photographic opportunities through the opening roof hatches.

Leaving our camp we travel via the Masai town of Mtu Wa Mbu (Mosquito River) that lies adjacent to the Lake Manyara National Park and then up the Rift Valley Escarpment to the higher lying village of Karatu. Karatu offers magnificent views over the surrounding hills and has many well established wheat farms that add to the picturesque panoramas. Tonight we spend the evening at a very pleasant campsite in Karatu (campsite has ablution facilities).

DAY 7: Karatu to Ngorongoro Crater and Serengeti National Park (Breakfast / Lunch / Dinner)

This morning we depart early for the Ngorongoro Conservation area and head into the wildlife rich Ngorongoro Crater. The Ngorongoro Crater is the largest unbroken, unflooded caldera in the world. Comprising of open savannahs, acacia forests and both soda and fresh water lakes, the Ngorongoro Crater is truly a miniature 'Garden of Eden'. This World Heritage Site boasts some of the best game viewing in Africa – including the elusive Black Rhino.

After our game drive in the Crater, we head down the Crater rim and past the 'Cradle of Mankind' on our way to the Serengeti National Park. We cross the vast plains as we game drive through the southern and central areas in the park. Tonight we camp (no ablution facilities) in the bushveld surrounded by the sounds of the African wilderness. Without any fences surrounding our campsite we are truly in the midst of nature!

Optional Activity: Karatu to Ngorongoro Crater and Serengeti National Park
Speak to your crew prior to this excursion for more information

Serengeti National Park & Ngorongoro Conservation Area

The *Serengeti National Parks* claim to fame is not only the annual migration of white bearded wildebeest and zebra, but also it is regarded as the best wildlife reserve in Africa due to its density of predators and prey. *Ngorongoro Conservation Area* consists of a large volcanic caldera, namely the Ngorongoro Crater. This massive crater is home to over 250 000 large animals, making it an attraction not to be missed.

DAY 8: Serengeti National Park to Arusha (Breakfast / Lunch / Dinner)

In the morning, we head off for another game drive and explore the landscape in search of the resident game. With some luck, we may see some of Africa's 'Big 5'! Following our morning drive, we retrace our journey back across the plains and along the lush Crater rim to our truck at Arusha, where we spend the evening musing over our thrilling wildlife experience.

If you choose not to do the optional Serengeti/Ngorongoro Crater you will remain at the campsite. Please contact us for more information.

KENYA

Upon entering this beautiful east African country, you may be greeted with the words of “jambo” (hello) or “hakuna matata” (no problem) by the friendly locals. With a population of nearly 42 million and land area of more than 580 000 sq km Kenya is home to an abundance of animals and colourful tribes people, making it the perfect getaway for a once in a lifetime safari.

DAY 9: Arusha to Nairobi (Kenya) (Breakfast / Lunch / Dinner)

We set off early this morning and make our way to the Tanzania/ Kenyan border and the small border town of Namanga. After completing the border formalities, we continue on our journey to the Capital City Nairobi and our campsite on the outskirts of the city.

DAY 10: Nairobi (Breakfast)

The rest of the day is yours at leisure to enjoy some of the many options available in this bustling city; visit The David Sheldrick Wildlife Trust, where you can view the orphaned baby Elephants at feeding time, or head to the Giraffe Centre in Langata, if you haven't had your fill of game viewing, then Nairobi National Park offers some great day trips or if you haven't quite got all those souvenirs you wanted, take a “Matatu” to the local curio markets close by the campsite. This evening why not try the fair on offer at the famous Carnivores restaurant.

DAY 11: Nairobi to Masai Mara (Lunch / Dinner)

Leaving the hustle and bustle of Nairobi we climb the escarpment to our first stop, a viewpoint overlooking a section of the spectacular Great Rift Valley. Descending into the Rift Valley, we enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, and continue our drive possibly getting a glimpse of some wildlife along the way. We arrive at our campsite, Acacia Camp in the late afternoon. Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve.

Included Excursion: Masai Mara Nature Reserve

DAY 12: Masai Mara (Breakfast / Lunch / Dinner)

We depart shortly after sunrise on our game drive into the Masai Mara Reserve. The Masai Mara is well known as one of East Africa's best National Reserves and is home to a wide variety of wildlife species. Most famous for the Annual Migration, that consists of the impressive herds of over 1 million wildebeest, zebra and Thomson's gazelle that cross over from the Serengeti National Park in Tanzania; the Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here. Following these herbivores are Africa's predators that are often seen at a kill during this period. We game drive through a section of the park in search of the 'Big 5'- elephant, rhino, buffalo, lion & leopard; along with the many other species of animals, reptiles and birds who make call this wilderness home.

After our game drive, we have the option to visit one of the nearby Masai Manyatta's – this is a traditional hamlet where the Masai still live in their traditional way. This evening we sit around the camp fire, and watch the sun set over this “Garden of Eden”.

DAY 13: Masai Mara to Eldoret (Breakfast / Lunch / Dinner)

Leaving the Masai Mara early, we head out of Masai Land pass through the scenic tea plantations of Kericho before descending the Rift Valley Plateau, on our way to Eldoret.

UGANDA

The “Pearl of Africa’ as it is referred to by its people, is home to some of Africa's major attractions. This country contains four of Africa's seven great lakes, including Lake Victoria which is the second

largest body of fresh water in the world. Lake Bunyonyi is one of these spectacular lakes with its mythical landscapes and hidden bays. The source of the Nile at Jinja allows you the opportunity to tame the mighty waters with some of the world's best white water rafting. And to top it all, this breath taking country has the largest population of primates anywhere in Africa.

DAY 14: Eldoret to Kampala (Uganda) (Breakfast / Lunch / Dinner)

This morning, we cross the border into Uganda where we overnight in the capital city, Kampala. Uganda is a small country of striking physical beauty. Its landscapes vary from the fertile green areas around the northern shores of Lake Victoria to the snow capped Ruwenzori Mountains in the west and the semi-desert region in the north. The political instability that has haunted Uganda in the past has actually had the positive effect of leaving the country free of the over commercialism so common in other parts of Africa. The current administration under President Museveni has devoted considerable effort and funds to return Uganda to its former status as one of Africa's most prosperous and, from a tourist's point of view, one of the most appealing and interesting countries to visit.

DAYS 15 - 18: Kampala to Lake Bunyoni (Breakfast / Lunch / Dinner)

After an early morning departure from Kampala we drive west into the depths of Uganda to our base at the tranquil Lake Bunyoni.

Lake Bunyoni, the deepest Crater Lake in Africa and home to a large and varied number of beautiful birds, is the base from which the optional Gorilla trek takes place. Dependant on where trekking permits are available, we trek in the Magahinga or Bwindi National Parks in Uganda, the Virunga National Park in the Democratic Republic of Congo, or the Ruhengeri National Park in Rwanda. The prices of trekking permits fluctuate and may change without prior notice – currently they are priced from US\$600. There is a local transport & handling fee from US\$120 per person (this covers the return public transfer and the Wildlife Authority's booking fee). For trekking in the DRC or Rwanda (the trip leader will advise at the pre departure meeting as to where the permits have been secured, and will assist with the online visa application for Rwanda en-route if needed), we will also have to purchase an additional visa to enter either country, as well as renewing our Ugandan visa upon re-entry. We also advise budgeting a little extra for tips for the local guides and rangers. Please budget accordingly as payment for the permit must be made in US\$ cash at the pre departure meeting.

Gorilla Trekking is OPTIONAL

***See price list below for pricing of permits & Transfer**

Trekking Procedures: The mountain gorilla (Gorilla Berengei), of which there are still only about 700 remaining, are one of our closest living relatives. A visit to these gentle giants in their natural environment is a unique and wonderful experience - one you'll never forget. The park rangers monitor the gorillas on a daily basis and have a fairly good idea of where they are. However, they are free roaming animals, and their sighting cannot be guaranteed. As the gorillas share much of our DNA, anyone with even the slightest cold or transferable illness will not be permitted to trek. Trekking is also only open to people over 16 years old.

Due to the restrictions on the daily numbers of visitors to these incredible animals, we depart from our base in Bunyoni in small groups over 3-4 days, depending on the group size. We wind our way through arguably some of the most picturesque scenery in Africa en-route to the National Park. Dependant on where permits are available, we may spend a night in either Kisoro or in Rwanda. The following morning, after packing our picnic lunch, we are transferred to a ranger's station where the trek commences. Your rangers will lead you through the cultivated lands and then into the dense rain forest and on to a gorilla family. Trekking can take anywhere from 45 minutes to 8 hours (not including transfer time) and it can be quite strenuous, so a reasonable level of fitness is required. To ensure the gorillas do not get too used to the presence of humans and because they share many of our genes (and therefore able to catch our diseases), the maximum time permitted to spend with them is 1 hour. You will have plenty of time to watch their activity and to take photographs. The rangers will be able to provide you with a background to the family you are visiting. Once your hour is up, you

trek back out of the rain forest to your meeting point where you will be transferred back to the Lake Bunyoni campsite.

You needn't feel like you're exploiting these animals. The ever-growing number of tourists trekking them each day play a vital role in their survival. For years they have been ruthlessly hunted for their hands and heads, which have been sold as ashtrays and lampshades! In addition, large numbers have been killed whilst trying to stop poachers stealing the babies for sale to zoos, where they have never lived long. 100% of the gorilla permit cost is used to by the parks authorities to finance patrols that are instrumental in protecting the gorillas from poachers and their lethal snares and on promoting these wonderful animals.

Depending on where the trek takes place you may also pass through some of the local villages that have settled in this region due to the high number of refugees fleeing from the Rwandan Genocide, or from the continued unrest in the DRC. The villagers in this area are mostly subsistence farmers, and families that farm against the slopes of the volcanoes. It is impressive to see how they have ploughed, planted and harvest their crops in such an unlikely landscape.

DAY 19: Lake Bunyoni to Kampala (Breakfast / Lunch / Dinner)

After marvelling at the experience of our gorilla encounters and enjoying the peaceful Lake Bunyoni, we begin our drive back to Kampala. We cross the Equator for the second time and stop for the classic "one foot in each hemisphere" photo opportunity. We overnight in Kampala and have the opportunity to sample its night life!

DAY 20: Kampala to Jinja (Breakfast / Lunch / Dinner)

Today we have the option of visiting the Ngamba Island Chimpanzee Sanctuary or heading to Jinja for a selection of adventure activities including white water rafting at the source of the White Nile, quad biking or visiting a volunteer and community project. Spend the afternoon relaxing on the banks of the river, or ticking off the wide variety of water birds in this area.

DAY 21: Jinja to Nakuru (Kenya) (Breakfast / Lunch / Dinner)

Departing early, we head back to Kenya, stopping for lunch and supplies en route. We overnight outside Nakuru at a lovely campsite on a local farm. Nakuru is Kenya's 4th largest town and capital of the Rift Valley Province and lies adjacent to the small but wildlife rich Lake Nakuru National Park.

*EAMO Orphanage

Optional Activity: Spending time with the kids and / or bringing pens, pencils, notepads and so forth for them.

DAY 22: Lake Nakuru National Park (Breakfast / Lunch / Dinner)

This morning we begin our exploration of the Lake Nakuru National Park - famous for the thousands of lesser and greater flamingos that flock to this soda lake's edge. The numbers vary depending on the water level, and when it's low, the lake almost turns pink. A truly spectacular sight! The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, various antelope and the occasional hippo along the way. After our game drive, we head to our campsite, arriving in the late afternoon.

Included Activity: Game drives in Lake Nakuru National Park

DAY 23: Lake Nakuru to Lake Naivasha (Breakfast / Lunch / Dinner)

Lake Naivasha, is home to a multitude of bird life, the most magnificent being the African Fish Eagle with his regal cry. At 1880 m, this is the highest of the Rift Valley lakes. We spend the day enjoying optional excursions like *Elsamere (former home to Joy & George Adamson of Born Free fame), *a boat ride to the Crescent Island Game Sanctuary or a *bike ride around Hell's Gate National Park.

Included Activity: Lake Naivasha

DAY 24: Lake Naivasha to Nairobi (Breakfast)

After breakfast, we head back to Nairobi usually arriving by late morning, or early afternoon. On arrival we exchange addresses and part ways, having just experienced a trip of a lifetime!

The rest of the day is yours at leisure to enjoy some of the many options available in this bustling city; visit The David Sheldrick Wildlife Trust, where you can view the orphaned baby Elephants at feeding time, or head to the Giraffe Centre in Langata, if you haven't had your fill of game viewing, then Nairobi National Park offers some great day trips or if you haven't quite got all those souvenirs you wanted, take a "Matatu" to the local curio markets close by the campsite. This evening why not try the fair on offer at the famous Carnivores restaurant.

The trucks seat between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. Vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Participation on tour

All of the tours operated by ATC are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth.
