Detailed Itinerary

DAY 1

Kujwana Camp : You are met at Maun Airport by our representative & transferred by light aircraft to Xudum airstrip, a 25 minute flight. You are then transferred into the camp by vehicle which takes approximately 1 hour. (Game viewing). Lunch and an introduction talk with demo on tack advice on game viewing from horseback. This is followed by an orientation ride for approximately 1 - 2 hours.

DAY 2

Kujwana Camp : Morning game ride in the Xudum area. Wake up is 1 hour before dawn to ensure best game viewing. Wade through lush green malapos that lead you from island to -island. Surprise a timid bushbuck out his dense cover on a heavily wooded island, or enjoy the herds of Lechwe & Zebra moving through the open spaces. Return to camp for lunch. Siesta. Afternoon game drive with sunset drinks & evening night drive with a spot light.

DAY 3

Kiri/Xwaapu Camp : Ride east towards Beacon and Lion island. These are two very large islands in the area which are cut off from Kujwana by the Xwaapu river. The area is criss-crossed with game paths leading you through a chain of rain pans. This is a great contrast to the open flood plains. Mapane forests and Acacia woodlands offer a good variety of food for Kudu and Giraffe. Breeding herds of elephant enjoy the security of the dense forest and should the pans be holding water zebra, wilderbeest and buffalo will also be found. Animal tracks abound telling you of what has been and gone - or what you might still find. -Afternoon bird walk.

DAY 4

Kiri/Xwaapa Camp : Ride north east towards Moremi game reserve. This area forms seasonal marsh land and hosts a variety of exceptional bird life. Wildlife moves freely to and from the national park. Good Buffalo and Elephant country. Afternoon game drive with sunset drinks & evening night drive with a spot light.

DAY 5

Kujwana Camp : A full days ride moving from Kiri/Xwaapu to Kujwana camp. This area is on the edge of the permanent water with papyrus beds & deep lagoons. Good area for hippo & lechwe. A picnic lunch is set up on a shady island. Return to Kujwana camp in the cool of the late afternoon.

DAY 6

Dawn game ride lasting approximately 2 hours, return to camp for breakfast. After breakfast, aircraft movements permitting, you will be transferred by light aircraft back to Maun Airport where this safari ends. NB. The itinerary may change due to game movements and water levels. Mokoros (dugout Canoes) are offered as an activity depending on water levels.
