SAFARI CRUISERS

Tourvest Destination Management recognises that the journey is as important as the destination.

Tourvest Destination Management has unveiled an exciting and innovative product that enhances our already successful 3 day Kruger Park Safari, led by a specialist nature guide.

TDM 'Safari Cruisers', are branded and specially modified Quantum vehicles that operate three times weekly between Johannesburg and the renowned Kruger National Park, creating a truly relaxed and enjoyable journey.

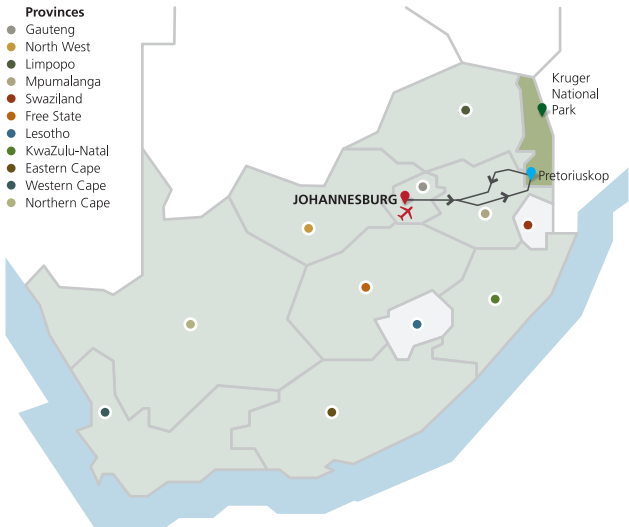

The original 14-seater's have been fully converted and refitted to cater for only nine passengers plus a driver / guide, allowing for greater comfort, legroom and interior space.

Special Features:

- Specially fitted coach seats, ample legroom
- Public address system
- Free Wi-Fi access
- Samsung Tablet with eBooks available on board: Wildlife & Birds of Southern Africa
- Extended and modified luggage area allowing for greater bag capacity.
- Custom fitted sliding windows allowing for unobstructed views, ideal for photographic enthusiasts
- Two and three-prong plug points ensuring constant power source for laptops, cameras and cell phones.
- A small fridge / freezer for cool drinks.
- Fold-out safari table for picnics and quick stops to enhance the travel experience.
- Picnic basket stocked with rusks, coffee, tea, soft drinks and water

Best Safety:

- The vehicle has protective netting installed between the luggage and rear seating areas to protect against shifting luggage
- A front bull bar has been fitted for additional protection.

Day 1

JOHANNESBURG to KRUGER NATIONAL PARK (±460km)

Sawubona and welcome to the first day of your unforgettable South African Safari.

This morning you'll be collected from your Johannesburg hotel, by our professional tourist guide, and head east into the lush and scenic beauty of Mpumalanga.

Travel via the sub-tropical Lowveld via Machadodorp before entering South Africa's largest conservation area, the Kruger National Park. The Park forms part of the Great Limpopo Transfrontier Park. This peace park links the Kruger with Gonarezhou National Park in Zimbabwe, and with the Limpopo National Park in Mozambique and is 20 000 square kilometers in size, roughly that of the Netherlands.

Your bushveld experience will start with a guided afternoon game drive in a closed safari cruiser, seeking out the "Big Five" and other rare and endangered species. The Kruger National Park offers a range of fauna and flora which include: 147 mammals, 114 reptiles and 336 tree species, some of which are endemic to the park.

Return to your restcamp for dinner.

Day 2

FULL DAY IN THE KRUGER NATIONAL PARK (±250km)

Grab your camera and embark on a pre-breakfast, game drive in a closed vehicle. Early morning is a wonderful time to pursue sightings of our wild friends and beasts at their morning routines.

In its immense botanic diversity the Kruger National Park boasts 16 macro eco zones. The northern eco zones are predominantly mopane veld while in the South it is thornveld. The park is also home to 507 bird species and 1 982 plant species. The abundant variety ensures an unforgettable bushveld experience.

Stop for lunch (own account) at one of the camp's numerous scenic settings.

With the bush firmly entrenched in your senses, you will be returned to the rest camp to freshen up before dinner.

Note: Optional Full day safari in an open safari vehicle available (own account)

After breakfast we travel through Mpumalanga via Graskop and Long Tom Pass. Enjoy lunch en route (own account).

We continue our journey back to the City of Gold, Johannesburg. We will say Hamba kahle, goodbye at your hotel or at O.R. Tambo International Airport.

Note: TDM recommends that clients do not book any connecting flights on the return day, as travel times and stops may vary depending on the interests of fellow guests. TDM cannot be held responsible for any delays as a result of circumstances beyond our control.
